ACKNOWLEDGEMENT

First and Foremost we would like to express our regards and respect to the Principal of our college, Rev. Dr. Simão R. Diniz, for rendering us his full support to fulfill our project by giving us the best of facilities.

We are grateful to our project guide Asst. Prof. Mildred Lemos for helping us carry out our project work and guiding us in our hour of need.

We convey our whole-hearted appreciation to our course coordinator Mr. Milton Pires and the entire BCA department for helping us to accomplish this project.

Our special thanks to our classmates who irrespective of their busy schedule, due to their own projects, gave us the best of suggestions that helped us to improvise our project.

In the end we would like to thank our parents for their compassion and care throughout the year.
